**CONTRACT NO. 4400023943
IDIQ CONTRACT FOR ROADWAY DESIGN SERVICES
STATEWIDE**

Question and Answer

June 6, 2022:

- Q1. Attachment A, outlines certain road design services during the environmental process that will be performed by the selected consultant team. Our assumption is that this would be in a support role, and that DOTD would be responsible for obtaining the environmental clearance for any projects under this contract. However, in the Services to be Performed/Items to be Provided by DOTD in Attachment A, environmental clearance is not listed.
- A1. **The selected consultant will not be responsible for obtaining environmental approval on projects under this contract.**
